

## RRYC 2018 Proposed Cruising Schedule

Version 1.1, 4 Jan 18

### Summary:

- One event per month with one exception (July)
- Two long (2 week) cruises, Upper Bay and Lower Potomac (maybe less than 2 weeks)
- Days on water: about 60
- Four one-week cruises
- Two short events (Shakedown (2 days) and Harborfest (3 days))

### Proposed Schedule:

1. Shakedown (Sat 21 Apr – Sun 22 Apr) Cruise Leader: Ken Vincent (unless someone else volunteers)
2. Onancock and Accomack County (Mon 21 – Fri 25 May) Cruise Leader: Coleman Brydon
3. Norfolk Harborfest (Sat 8 Jun – Sun 10 Jun) Cruise Leader: Jack Chamberlain
4. Upper Bay (Sun 24 Jun – Sun 8 Jul) Cruise Leader: TBD (Tom Wicks, can you do this?)
5. Lower Bay (Sat 21 – Sun 29 Jul) Cruise Leader: TBD (Frank Miller, can you do this?)
6. Lower Potomac (Sat 18 Aug – Fri 31 Aug) Cruise Leader: Coleman Brydon
7. Where the Wind Blows (Sun 16 Sep – Sat 22 Sep) Cruise Leader: TBD
8. Hurricane Challenge (Sun 14 – Sat 20 Oct) Cruise Leader: TBD

### Cruise Commander Comments:

1. I have tried to split weekend days so everyone has a day to get ready before leaving and a day to get organized upon return before going back to work. Is that a good idea?
2. I need volunteers to lead cruises where Cruise Leader is “TBD”.
3. Ports of call will be determined by the Cruise Leader for that cruise.
4. I have intentionally made the above schedule very ambitious, as weather will probably force cancellation of at least one cruise (if 2017 was any example...).
5. Dates for cruises are subject to revision to meet the Cruise Leaders’ availability and opinion of how long a given cruise should take, lay days, etc. The above “schedule” is a starting point subject to YOUR input.
6. None of the proposed dates have been coordinated with other RRYC activities, so some changes may flow from later harmonization of dates.
7. Please e-mail your comments and recommendations to [ken.vincent10@gmail.com](mailto:ken.vincent10@gmail.com) by 15 Jan 2018. I will try to get an RRYC e-mail account set up for future correspondence. An updated version of the above “schedule” will be posted on Member Connect after 20 Jan 2018.
8. I have not included a trip to Beaufort, NC, pending input from cruisers. It remains a possibility, and if we do that it will have to replace another proposed cruise.
